

Avologi Totalé BLU

Treatment Instructions

1. Begin by charging the device for at least 6 hours prior to use.
2. Once fully charged, you will use the device 3 times a week for the first month. Always use the device for 3-5 minutes before using the Avologi Totalé if you purchased the set. After the first month, we recommend using at least twice a week for maintaining results.
3. Device may be used on the entire body. Light sensors will activate when touching skin.
